Chronic Diseases of Men No Matter How Obstinate or How

Contracted, CURED Modern methods of treatment for all Pelvic Diseases. We never use the surgeon's knife, if it can be avoided, and only then upon the expressed wish of the patient. Enlargement of the Prostrate Gland we care by reducing it. not by removing it. We cure Piles and other Rectal Diseases without surgery. Under our superior treatment, Varicocele quickly vanishes; the stagmant blood raordinary success in curing Rupture by reliable and painless methods, withcauses, which we can ascertain and remove. The gloom and despondency which attend those who are fearful that they never can be cured of their allments

vill instantly vanish as soon as our treatment begins to take effect. We positively cure Eupture, Varicocele, Plles, Fistula, Fissures, Rectal Ulcers, Prostate Enlargements, Contracted Diseases, Lost Vitality, Stricture, Diseases of the Bladder, Kidneys, Liver, Stomach, and all Vital Disease of Men by our Painless and Bloodless Methods.

We will accept any case of Rupture, Piles, Varicocele or Hydrocele and permit you to deposit a draft in the First National Bank, or your Bank, made payable to yourself and instructing them to place same to our account after you have been cured. We are the only reputable physicians in this line of work who will take such cases on a guarantee. By doing this, you are absolutely certain of a cure. You have nothing to lose and everything to gain, and if we were not perfectly sure of our work we could not do business this way very long, but instead, have been doing so for years. We have adopted this plan because so many have been swindled by quacks and fakers; not one of them will permit a patient to deposit his money until a cure has been effected.

Many patients have told us that at first they hesitate to begin treatment with us, fearing that on account of our great reputation the fee would be more than they could afford to pay. Our fees are always moderate, wholly within your means, and at no time more than you are willing to pay. DON'T let money matters keep you from beginning treatment. If you will call and see us we have a system by which you can begin treatment and pay as you can.
